

## New Board Book for Young Children

God's commands beautifully shown through age-appropriate illustrations on sturdy pages for little hands, plus creative hand motions to help young children memorize and internalize the commandments.

Our new 10 Commandments board book adapts images from our Level 2 Sunday school curriculum for the smallest readers and believers.

Purchase a copy for the children in your life for \$8 each in our AFLC campus bookstores, or order through

our new online bookstore at [store.ambassadorpublications.org](http://store.ambassadorpublications.org)

## Online Bookstore Remodel

Earlier this year, we began a complete renovation of our online bookstore. The old site was outdated, difficult to navigate, and in need of a major makeover. After many hours of work, it was exciting to see the finished product come together. We're grateful to now offer a cleaner and more user-friendly experience that makes it easier to find and purchase the resources you need. Check out our new and improved online bookstore at [store.ambassadorpublications.org](http://store.ambassadorpublications.org)!

This is the first phase in process with our online bookstore redevelopment. Phase 2 has also begun, which implements bar scanning capabilities for onsite purchasing. Phase 3 will integrate inventory with accounting software.

About \$10,000 is needed to complete phases 1 and 2. We welcome gifts to support this project! You can partner with us by giving online at [ambassadorpublications.org/donate](http://ambassadorpublications.org/donate).
