

AFLC Parish Education Serves the Teaching Ministry of Congregations

Parish Education is all about the teaching ministry of the congregation. We are here to come alongside *your* congregation and help you shine forth God's light and truth as you seek to faithfully teach God's Word to all ages. Following are three areas of focus in our service to AFLC congregations.

ENCOURAGE AND SUPPORT

by providing books and resources in our campus and online bookstores and at AFLC events such as conferences, district gatherings, WMF rallies, and workshops, and by giving guidance and support for your educational ministries by phone, email, and online communication.

TEACH AND EQUIP

through teacher training resources, educational workshops, and online features like our Education Spotlights, blog articles, and book reviews at ambassadorpublications.org

PRODUCE AND PUBLISH

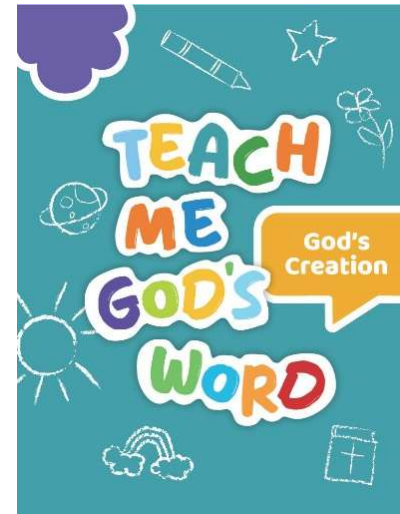

resources such as Sunday school curriculum, catechetical tools, Bible studies, devotional and historical books. Our most recent publications are the *10 Commandments* children's board book, *Teach Me God's Word* updated level 1 curriculum, and *Alive in Christ* devotional book for teens.

**Thank you for your prayers and gifts
that support the ministry of Parish Education!**

New Level 1 Curriculum

Many Sunday schools and families are enjoying new student materials for our Level 1 curriculum! Each lesson in a take-home leaflet format includes a Bible story and activities with new layout and design, plus a parent page with creative helps to encourage family devotions and continue learning at home. Children learn about God's power in creation, man's fall into sin, God's promise of a Savior, and God's lovingkindness to all generations. Each Bible lesson is a story from the Old

Testament demonstrating the faithfulness of God. Children also memorize the books of the Bible and learn a summary of each Bible book. You can read an article about the new curriculum in the September issue of *The Lutheran Ambassador*.
