## New Bible Study Coming in June

CELEBRATING THE  
60TH ANNIVERSARY  
OF THE AFLC IN 2022

Have you ever wondered why the AFLC is so focused on the congregation? Or why we emphasize missions? Or why we have no bishops or synods exercising authority over us? Learn what the Bible teaches about the congregation and the importance of every member using their spiritual gifts to serve one another.

“To understand the AFLC, one must understand the guiding principles that have been at the heart of who we are as a collection of churches that joined together in 1962. The Fundamental Principles have been a worthy guide to the AFLC and to its predecessor, the Lutheran Free Church. This study will help church councils and congregations understand who we have been, who we are, and ultimately who we should be as Free Lutheran congregations.”

— Dr. James Molstre  
Dean, Free Lutheran Seminary

“When our Pastor suggested studying the twelve Fundamental Principles, I wasn’t too enthusiastic. I must admit, I was wrong. For me, studying these Fundamental Principles, being deeply and firmly rooted in the Word of God, has been an enriching and edifying experience. Basically, it has taught me what it means to be part of the body of believers in Jesus Christ—very enlightening.”

— Mrs. Kathy Vieselmeyer  
AFLC Member, Deshler, Nebraska
