

## **ART CENTER – Mobile**

**Supplies:** wire coat hanger, string or yarn, crayons or markers, scissors, hole punch, stapler

Make a mobile from a coat hanger with string or yarn to fasten the paper objects to the hanger rod (see pattern for objects).

Have children **COLOR** the objects before cutting them out. Punch a small hole at the top of each object, and tie string. Then **TIE** the other end of the string to the bar of the hanger. Objects should hang at varied lengths.

Cut out the rectangular pattern that has Matthew 28:20 printed on it. Then **FOLD** the piece in half and put it over the bar of the hanger. Staple the paper to the hanger to secure.

Children can **HANG** the mobile in their bedroom or on a door knob.

Talk about the verse: “I am with you always, even to the end of the age.” Matthew 28:20  
Talk about the phrase on the other side (Trust in Jesus, Grow in Faith) and about the objects hanging from the mobile.

Jesus is always with us and will be with us forever. The cross reminds us that Jesus came to be our Savior. He wants us to trust in Him and to keep growing in our faith. We can go to church and Sunday school, hear and learn God's Word, and pray, asking forgiveness when we sin and thanking Jesus for being our Savior.
