

***ART ACTIVITY – Jesus Loves Me***

Use the 8.5" x 11" pattern provided that says "Jesus Loves Me" at the top. (Another option would be to provide a blank sheet of construction paper or poster board and write "Jesus Loves Me" across the top.) **TRACE** an outline of the child's hands underneath the lettering. You may also want to **WRITE** the child's name and the date if space allows. Encourage the child to **COLOR** the lettering at the top. The lettering could also be decorated with glitter or small beads glued onto the letters.

Tell the children that Jesus loves them just as He loved the children in today's Bible story. They are children of God. They are very special to God and to you. Find a place in your home to **DISPLAY** the poster as a reminder to the child and the rest of the family that Jesus loves us.
