

WELCOME

Welcome to *God's Word by Heart*, a Scripture memorization plan for children that was developed for use in the congregation, but would also be suitable for use in the home or in other Christian ministries.

Individualized

Each child memorizes at his own pace and level.

Age-appropriate

Preschoolers and kindergarteners memorize a portion of a verse instead of an entire verse.

Reproducible

The materials may be downloaded and reproduced for use in your ministry.

Inexpensive

Supplies may be purchased locally or online.

Flexible

This Scripture memorization program is presented utilizing the New American Standard Bible (1995 update). However, if another version is preferred, the material may be adapted as needed.

Tested

God's Word by Heart has been tested by parents, teachers, and children.
