

# AMBASSADOR PUBLICATIONS

*“O send out Thy light and Thy truth.” Psalm 43:3*

Did you know that many of the resources produced by Ambassador Publications are created by volunteers? Sunday school curriculum, Bible studies, and other resources are written by the people of the AFLC to serve AFLC congregations.

Do you know someone who may be interested in using time and talents to help create Bible teaching materials? Maybe it's you. We are seeking to establish a pool of volunteers we may draw from when a particular need arises. *You are invited to complete the following information and send to the address below.*
