May 2021

Dear Pastor and Congregation:

The AFLC emphasis for the month of May 2021 is Ambassador Publications (AFLC Parish Education). We are thankful for this annual opportunity to communicate with your congregation about this AFLC ministry. The enclosed 8½" x 11" pages give a brief update about what has been happening in our department.

The enclosed pages (landscape) are designed to be bulletin inserts for your congregation. Would you please consider photocopying them and distributing to your congregation in May or June and/or posting them on your church bulletin board?

We are excited to announce the release of Volume V in the AFLC Heritage Series, *One Thing I Seek: Selected Writings of Francis W. Monseth*. The book was sent to press last week, but book binderies are backlogged due to lack of workers. Please pray with us that the book production would be completed in a timely manner. We are hoping, Lord-willing, to have the book available at the AFLC Annual Conference in June. We are also planning to honor the Monseth family during the Friday evening service of the conference. We hope you will join us!

Thank you for sharing this information with your congregation. Thank you also to those who faithfully support the ministry of Ambassador Publications through your prayers and gifts. We desire to serve our congregations well and are grateful for your partnership. May the Lord richly bless the ministry of the Word through your local congregation.

In Christ's Service,

Marian
